

St. Francis Xavier's RC Primary School

Whole School SMSC

St Francis Xavier's School is a Catholic School that lives out the gospel values of Jesus Christ. We promote these values through our words and deeds, and our Catholic doctrine permeates every aspect of school life. We provide a Catholic curriculum which is broad and balanced, recognising that every pupil is unique and is created in the image of God (Gen 1: 27). Our curriculum encourages every pupil to grow in the love of Jesus, share that love with one another, be tolerant and respectful and excel in citizenship.
