

## MATHEMATICS

### Multiplication and Division

- Recognise, make and add equal groups
- Calculate mathematical statements for multiplication and division within the 2, 5 and 10 times-tables and write them using the multiplication ( $\times$ ), division ( $\div$ ) and equals ( $=$ ) signs.
- Odd and even numbers
- Doubling and halving

### Money

- Know and use the symbols for pounds (£) and pence (p) and can add together different amounts of money.
- Find different combinations of coins that equal the same amounts of money.
- Solve money problems such as how much change do I get from 50p if I buy an apple for 35p?

### Shape

- Identify and describe the properties of 2-D shapes, including the number of sides and line symmetry in a vertical line.
- Identify 2-D shapes on the surface of 3-D shapes.

### Measurement

- Choose and use appropriate standard units to estimate and measure in centimetres and metres
- Compare and order lengths, mass, volume/capacity and record the results using symbols for greater than, less than and  $=$ .
- Measure mass in grams and kilograms
- Measure capacity in millilitres and litres
- Use the four operations for length and height
- To measure temperature

## SPRING

## RELIGIOUS EDUCATION Galilee to Jerusalem

- Recognise and set of Rosary beads and be able to recite the Hail Mary.
- Read passages from the Bible looking at the journey from Galilee to Jerusalem.
- Explore the story of the Good Samaritan.

## SCIENCE

### Plants:

- Observation of plants.
- Plant sunflowers and understand how we help them to grow and keep them healthy.
- Perform simple tests and understand what plants need to germinate and grow.
- Understand how plants grow.
- To explain the life cycle of plants.
- Gather and record data.

## ENGLISH

### Transcription

- Spell common homophones.
- Spell common exception words.
- Spell contracted forms.
- Spell by learning the possessive apostrophe (singular).

### Composition

- Write narratives about personal experiences and those of others.
- Writing poetry.
- Writing for different purposes.
- Make simple additions, revisions and corrections to their own writing by evaluating their writing with the teacher and other pupils.

### Vocabulary, Grammar and Punctuation

- Use full stops, capital letters, exclamation marks and question marks consistently.
- Learning how to use apostrophes for contracted forms and the possessive (singular).
- Present and past tenses correctly and consistently including the progressive form.
- Learn how to use subordination (using when, if, that, or because) and co-ordination (using or, and, or but).
- Understanding the use of the suffixes -er, -est in adjectives and the use of the -ly to turn adjectives into adverbs.
- Learn how to use suffixes such as -ful, -less.
- Learn how to use sentences with different forms: statement, question, exclamation and command.

### Handwriting and Presentation

- Daily handwriting practice.
- Children to apply handwriting rules already taught in their writing.
- Penpals handwriting - continuing to join.

### Reading

#### Word reading

- Reading at home
- Daily class reader (10 minutes)
- 'Book Talk' sessions (three a week)

#### Comprehension

- 30 minutes of reading comprehension weekly.
- Questions to be asked during daily reading at home.
