ROCKS (Remembering Our Curriculum Knowledge and Skills)	
I can identify the main types of farming land-use in the UK – mixed, arable, dairy and sheep	
I can locate Herefordshire using maps, atlases and globes and use Google Maps	
I can use the eight points of the compass and a four figure grid reference on an OS map	
I can undertake fieldwork at a local farm and present my finding using a variety of methods	
I can compare and contrast land-use in Hereford City and can name some economic activity and trade links	
Progressive Journey:	Skills:
Identify farming land-use patterns in the UK – mixed, arable, dairy and sheep Zoom into the location of Herefordshire through the process of ‘nesting’ Locate Herefordshire, and other neighbouring counties, using maps, atlases, globes and Google Maps Use the eight points of a compass and four-figure grid references, symbols and keys on OS maps to build their place knowledge and map skills Study land-use in Herefordshire with a focus on hop farming and visit to a farm Compare and contrast Hereford City land-use naming some economic activity and trade links.	I can describe the main types of farming land-use in the UK. I can use maps, atlases, globes to locate counties and describe features studied. I can undertake fieldwork at a local farm in Herefordshire to observe, measure, record and present the human and physical features through the study of hop farming. I can record and present my information using a range of methods including sketch maps, plans and graphs and digital technologies. I can name some economic activity and trade-links for Herefordshire
Key Vocabulary: atlases Key Human Features: mixed, arable, dairy and sheep farming, hop farming, location, land-use, economic activity, compass points, post codes, OS maps, co-ordinates, trade links, locality, commercial land-use, industrial and agricultural land-use, export Key Physical Features: world, hemisphere, continent, island, soil, terrain, River Wye, River Lugg, Malvern Hills, Wye Valley
