26th September 2013

Dear Parent or Carer,

Car Parking

In the past 18 months the Royal National College for the Blind has undergone a significant cost cutting and downsizing exercise and part of the building has now been leased to Hereford College of Art.

This has had a resulting knock on effect with car parking for the RNCB. Rather than removing parking for parents at Point4 altogether, the RNCB have acknowledged the joint concern about road safety in Venn's Lane for our pupils as well as their young people and vulnerable adults.

RNCB will therefore continue to afford parents of St Francis Xavier's School use of the Point4 car park in order to drop and collect children, as long as it is for ten minutes only. Please could you not use the college campus as a cut through to walk to school but use Campbell Road. This is for the safety of both the RNCB visually impaired students and our children's safety – the main accidents that occur are collisions.

In order to sustain our good relationship with the RNCB I would ask for your co-operation with car parking at Point4 and ensure you only park there between 8.40 and 8.55 a.m. It would put the school in a rather difficult position regarding parking if we lost the goodwill of the RNCB.

With grateful thanks in anticipation.

Yours sincerely,

Mrs D. Pearce

Headteacher
